Catered towards our smallest guests, Santa's Workshop is a shopping experience designed for children to spread love and delight to their loved ones. Under careful guidance, children are able to select from a vast array of gifts within a budget set by their parents. But the fun doesn't stop at selection! Our little guests can also wrap their chosen gifts, learning the art of gift presentation and adding their personal touch to the surprises. It's not just a shopping spree - it's an hands-on experience in generosity, developing a spirit of giving that can last a lifetime.
