MAKING A REAL IMPACT

Thank you for your interest in donating a Large Tree Christmas magic for thousands of Atlanta families.

Your donation will directly impact our community by raising essential funds to donate to organizations working to end human trafficking and the sexual exploitation of youth and women right here in Georgia. This year the festival will benefit Street Grace, a local nonprofit working right here in Georgia.

This packet contains essential information you will need to design your tree. These guidelines will ensure that your tree will sell well and arrive safely at its new home. Moving fully decorated trees requires teamwork from beginning to end, and we ask that you take a few minutes to read through these guidelines to prepare your tree for the big move.

If you have any questions, please email us at auction@gafestivaloftrees.org.

With gratitude,
Your Georgia Festival of Trees Family

What does it cost to donate a nativity to the festival?

There is no cost to donate a nativity. We encourage donors to creatively decorate their nativities to attract the highest bids, which supports our cause and charity partners.

When are drop off days?

DropOff Days are on Wednesday, November 18, 4:00 p.m. – 8:00 p.m., and Thursday, November 19, 8:00 a.m. – 8:00 p.m.

Where is the festival located?

The festival will be held at the Gas South Convention Center, 6400 Sugarloaf Parkway, Duluth, GA 30097. Directions for decorating day drop-off and other details will be provided to all donors via email.

How are nativity spaces assigned?

Nativity spaces are assigned on a first-come, first-served basis, balanced with spatial and design considerations for the festival.

What happens if my nativity does not sell?

Any auction items that are not sold during the event will be donated to local charities or families in need. To date, the Georgia Festival of Trees has never had an auction item remain unsold. We are grateful to all who continue to support this important cause.

I can't make the Drop Off Day hours. Can I bring my nativity another time?

We appreciate you making every effort to join us on our scheduled Drop Off days. If this is not possible, please speak with your assigned auction representative to discuss alternative arrangements.

How do you determine the opening bid?

The opening bid for each item is set by our auction committee, which considers the fair market value, uniqueness, and potential interest from buyers. This decision is based on historical data, current market conditions, and the overall presentation of the auction item.

What does Suggested Retail Value mean?

SuggestedRetail Value is the 'sticker price' of your item; the full retail cost of your nativity and all its decorations. This information helps bidders understand the value of your donation. For any items purchased at wholesale, the retail value/ 'sticker price' is generally double the wholesale cost.

Can I donate a gift certificate or other items with my auction item?

Yes, additional donations such as gift certificates or other items are welcome and add value to your auction contribution. Any items included in the centerpiece space will be sold with the auction item.

Be sure to note any gift certificates or extra items on your submission forms and hand them directly to an auction representative at check-out on Drop Off Day.

What cause does the auction support?

Proceeds from the auction go to Street Grace, a local organization working to eradicate the sexual exploitation of women and children in Georgia and beyond. Funds provided directly impact individuals in our local communities.

If I'm just dropping off a nativity, do I have to pay to park?

No, if we have received all required information for your donation(s) in our system prior to Drop off Day, we will have an express drop-off area for wreaths, centerpieces, and nativity donations - saving time and parking fees.

Please remember that we must have all the required information for your donation in our system before you can drop it off.

If this information is missing, you will be asked to park and come inside to provide the missing info.

Please contact your auction representative if you have questions about providing your auction item information.

Can my business name be on the nativity?

Please refrain from placing your business name on your nativity or other donation. Your business name can be included on items around your centerpiece and can be placed on your official auction card.

What are some of the benefits of donating a nativity?

- Recognition: Your nameand/or business name will be prominently displayed on your auction item.

- Program Acknowledgment:We'll include your name or business in our festival program. (You must provide your complete item information by the deadline to be included in the program.)

- Online Visibility: Receive recognition on our website and social media platforms.

To raise as much as possible for the those women and children touched by Street Grace, we intend to price all auction items to sell. To reach this goal and to comply with IRS requirements, we need your help. It is the decorator's responsibility to maintain careful records and keep receipts of costs involved with the donated item.

This form will help the Georgia Festival of Trees Executive Board determine a fair base price for auction items. The Georgia Festival of Trees Executive Board retains the right to adjust any item's price to what the market will bear. Retain all receipts for YOUR tax purposes.
